VDG NVH-0901

Compact, i5, SSD, 1TB HDD, 4 Sense Basic video channels

Description

The NVH-0901 is a perfect solution for small video surveillance environments. It is an all-in-one solution, to be used as a viewer and for storing video content. It includes VDG Sense Basic software, which supports up to four different video channels and a mobile VDG Sense app connection to view the video channels on your mobile device.

The compact, mountable design and near-silent experience make it perfectly suitable for any workstation at any location. With two video outputs (DisplayPort & HDMI), it is suitable to be used with many different monitors. The combination of a 64GB SSD and 16GB internal memory ensure a high speed performance, while the 1 TB hard drive provides more than sufficient storage capacity.

Features

- Small solution (186mm x 260mm x 60mm)
- Viewer possibility
- Server storage possibility
- 4 Sense Basic video channels included
- 16GB internal memory
- 1 TB hard drive

Optional expansions:

- PTZ joystick/keyboard
- Up to 9 Sense Basic video channels

Specs

System	
Operating system	Microsoft Windows 10 Pro 64-bit
Hard drive	64GB SSD (included)
	1 x 1TB 2.5" hard drive (included)
